

# PROVIDER *bulletin*

February 22, 2010

Dear Provider:

The following changes will go into effect March 1, 2010, regarding our Formulary coverage. Please take a moment to familiarize yourself and staff to the amendments.

**Modifications:**

TRUEtrack, TRUE2go, & TRUEresult blood glucose test strips: These will be the only covered strips for all new starts. If members are currently on the other strips—Accu-check or One Touch, they may continue. If there is a break in therapy, then they would be restarted on the True Track/True Test products.

The TRUE2go and TRUEresult products are able to accommodate downloadable readings. Please refer to accompanying flyer about the availability of the meters. The meters are billed to the vendor.

Sincerely,

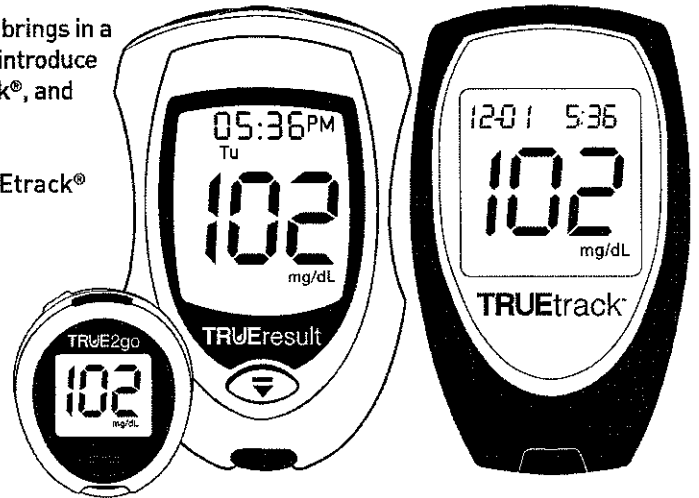

Bruce Wearda, R.Ph.  
Corporate Pharmacist
